Beyond Gratitude: A Tribute to Nurse Managers

Nurse managers – the thread that brings together the exceptional patient care of nursing staff and the mission of health care organizations.

To Nurse Managers Everywhere,

Thank you for all you do. Your compassion, drive and leadership help hold your teams together. You are always there providing meaningful support for your team, patients and organization.

We want to be there for you.

Join us as we go **Beyond Gratitude** to celebrate the heart, body and soul nurse managers pour into their work. Visit nursemanager.org for tools to help support and thank nurse managers.
